@ Beauty Food and Beverage Series

Product Name

Packing: 2g * 15sachets / pack

Daily Dosage: 2g

Instruction: 2g of content stir well with water and serve.

Storage: Store in cool dry place, avoid direct sunlight.

Ingredient:

- Pomegranate
- Applephnon
- WJF (Tremalla Fuciformis Extract)
- BNH (Fish Collagen)
- Cerepron

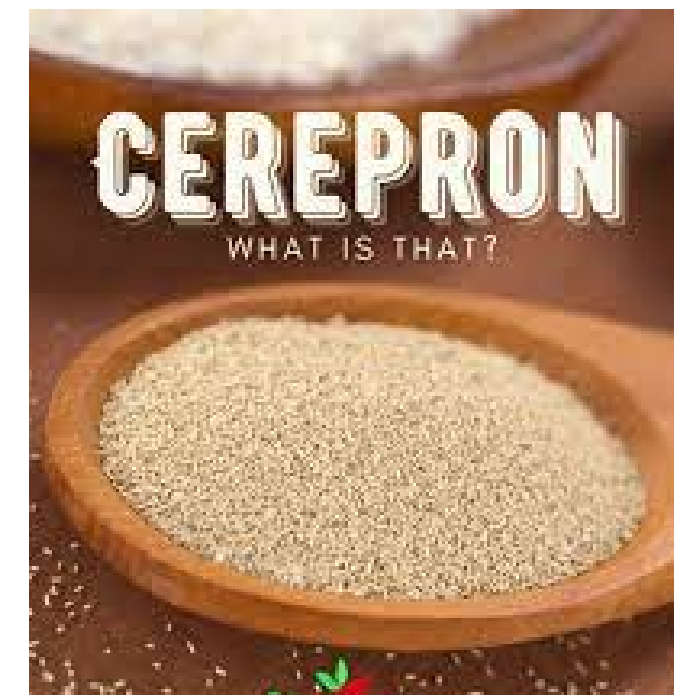

Why us?

01.

Cerepron

- Suppresses Melanin Synthesis
- Skin Whitening Effect

Cerepron is a food-grade skin whitening ingredient (a bioactive yeast extract powder) produced by PFI's unique technology and is different from existing yeast extracts that are enzymatically treated or self digested.

Why Us?

02.

Pomegranate

- Reduce wrinkles.
- Prevent sun damage.
- Detoxify the skin.
- Reduce acne.
- Anti-aging.
- Whiten the skin.
- Enhance skin's glow.

Pomegranate is a fruit known for its rich antioxidant properties and high vitamin C content, which can help protect the skin from free radical damage and promote collagen production.

Why Us?

03.

Applephenon

- Antioxidant and free radical scavenging.
- Decrease in LDL cholesterol levels.
- Improvement in lipid metabolism.
- Inhibits visceral fat accumulation
- Hypoallergenic.
- Anti-aging.
- Dental care.
- Skin care.
- Improvement in sports performance.

Applephenon, hailing from apples, is a robust antioxidant extract known for its remarkable ability to combat oxidative damage, slow the signs of aging, and bolster overall skin health.

Why Us?

04.

WJF: Tremella Fuciformis Extract

- Natural gastric mucosa protective barrier.
- Relaxing the bowel.
- Weight control.
- Nutrition for Bifidus.

WJF: Tremella Fuciformis Extract, from the snow mushroom, is prized for its superior moisture retention, offering intense hydration and a more youthful complexion in skincare.

Why Us?

05.

BNH:Fish Collagen

Improvement of Skin Repair for:

- Wounds
- Pressure sores
- UV damage
- Hydration
- Anti-aging (skin sagging, fine wrinkles)

BNH: Fish collagen is collagen extracted from fish sources, often fish skin or scales, used in supplements and skincare for skin, joint, and overall collagen support.

2 weeks

Here's how our premium skincare subscription works.

\$ Body UV Tinted

Skin Whitening Effect

Helps brighten the skin and reduce dark spots, likely thanks to ingredients like pomegranate and applephenon.

Skin Repair and Beauty

Promotes skin repair and combats signs of aging, courtesy of components like WJF, BNH and cerepron.

UV Protection

Offers UV protection, with added tint for body, potentially safeguarding the skin from sun damage.
